

TSM-B1

Stainless Antenna Marine Mount

Product Overview

TSM-B1 is a stainless-steel ratchet mount with a versatile four-way design for deck or side mounting on slanted or level surfaces. Its quick-action handle makes it easy to raise and lower the antenna and return it to the correct upright position. The mount can be used with ALFA Tube series devices.

Mounting Features

- 1 Four-way ratchet design
- 2 Deck or side mounting
- 3 For slanted or level surfaces
- 4 Quick-action handle
- 5 For ALFA Tube series devices
